

WHAT'S HAPPENING AT NSAC??

"Committed to caring for your companions"

Our veterinarians and the entire team are here to give you and your furry friends the highest quality care and service!

Do you ever have trouble remembering to give your dog their monthly heartworm prevention?

Ask us about ProHeart- an injection that protects them against heartworm disease and intestinal parasites for 6 months.

Plus, get a \$5 rebate on your pet's 1st injection and a \$10 rebate on the 2nd injection

**HEARTWORM
DISEASE PROTECTION
6 MONTHS
1 DOSE**

February is pet dental health month

The American Veterinary Medical Association estimates that by age 3, 80% of dogs and 70% of cats will have some form of dental disease.

Please let us know if your pet is displaying any of these signs or symptoms:

- Bad breath.
- Loose teeth or teeth that are discolored
- Drooling or dropping food from the mouth.
 - Bleeding from the mouth.
- Constant licking or pawing at the mouth
- Loss of appetite or loss of weight
